F.No.11/3/2018(pt.)-EOR/Edn

Dated: 20 November, 2020

To

The Registrar,  
\_\_\_\_\_ University,

**Subject:** Uploading Self Study Reports of accredited Universities/ colleges/ programmes on their website -reg.

Sir,

We are receiving number of RTIs and other representations seeking information pertaining to the Self Study Reports submitted by the Higher Agricultural Educational Institutions from general public including stakeholders.

As per the para 6., point 10.1., Chapter 10 in Guidelines for Accreditation of Higher Agricultural Educational Institutions in India, quoted ruling of Central Information Commission (Case no. CIC/SA/A/2015/001420), a public authority to ensure that all the documents submitted by each educational institution for securing accreditation along with the assessment report (Self Study Report) is easily accessible in its official website (as per Section 4 (1) (b) of RTI Act). The Commission further ruled that the public authority to ensure that the every educational institute, whether public or private, to disclose all that information given for securing the accreditation along with the assessment report/Self Study Report in public domain and provide certified copies to those who wanted to have them, as that would be implementation of Right to Information Act.

Therefore, you are requested to upload complete set of Self Study Reports of the University/colleges/programme, as the case may be, on your official website and share the link with the Accreditation Secretariat immediately.

Yours' Sincerely,
