Message

I am happy to know that Center for Information Management & Computer Applications and Directorate of Prioritization, Monitoring and Evaluation has prepared the University Telephone Directory, which is an essential tool for staying connected in today's fast-paced world. Inside, you will find the phone numbers, email-ids and addresses of faculty, staff and officers as well as contact information of all of the University's units, offices and departments. In addition, the directory includes the contact details of Government institutes, ICAR institutes, other Agriculture Universities and organizations coupled with utility services, to make it even more useful.

This directory is a valuable resource to have on hand and I hope it will help you keep in touch with the university community and give easy access to the contact information of University employees needed for daily operations. I congratulate all the associated staff for preparing this informative and useful University document.

Place: Jobner

सौर पार्क

सौर पार्क में एक बड़े भू-भाग पर सुनिश्चित रूप से सौर ऊर्जा को एक ही स्थान पर विद्युत में बदला जाता है। सौर पार्क में प्यारा, बर्बाद, बिजुल प्रणाली को छोड़कर अकार्बनयुक्त संसाधनों का उपयोग होता है, जिससे जलवायु को सुरक्षित रखने में मदद मिलती है। प्यारा, बर्बाद, प्यारा-केबल सौर पार्क बिजुल प्रणाली का उपयोग करता है। यह एक पर्यावरण के अनुकूल और जल को बचाने वाला सौर पार्क है।
