D.O. letter no. P-1500  
Dated 17.5.1998

My dear Sir,

The Building and Other Construction Workers' (Regulation of Work and Condition of Service) Act, 1986 was enacted to regulate the terms and conditions of service of the workers who are engaged in building and construction works and to provide for their safety, health and welfare. The Act of 1986, inter alia, provides for constituting welfare Boards to implement welfare schemes for the workers on different subjects, i.e., representation of employees (establishments and contractual) and workers.

You might be knowing that there is a project, which has attracted special attention of Hon'ble Chief Minister, Chief Secretary and Secretary, Finance, etc. We need not to mention in detail the Act is going to be discussed and reviewed at state level in the near future.

With a view of augmenting the resources of the welfare Board under the Act of 1986, a separate corresponding Act, named "The Building and Other Construction Workers' Welfare Cess Act, 1986" was also enacted to provide for the levy and collection of cess on the cost of construction of the employers. The cess Act, inter alia, provides for appointing an assessing officer, assessment of cess, penalty for non-payment and recovery of amount due under the Act.

Section 2(1) of Cess Act provides for levy of Cess at the rate of 1% on the Central Government. The Ministry of Labour, Government of India, vide its notification dated 19.9.86, appointed "Assessing Officers and Cess Collectors" by notification dated 14.1.1988. The Cess Act also provides:

- (1) Where the levy of cess pertains to establishments covered by the Public Sector Unit (PSU), such Govt. or PSU shall deduct the Cess payable from the bills paid for the construction work.
- (2) Where the amount of construction cost is a fixed sum, the Cess shall be payable in advance.

- by a DD for an amount of Cess payable on the entire construction.
- (iii) In other cases, an employer may pay amount of Cess on the estimated cost of construction with the commencement of work.

That the collected Cess shall be transferred by the Govt. or local authorities or cess collectors to the Board in prescribed form within 10 days of its collection along with the challan.

I call your attention to inform you that a writ petition relating to National campaign committee C.I. Labour v. Union of India is pending before the Hon'ble Supreme Court regarding non-implementation of the Act in the States and the State Govt. has to submit its affidavit before the Court in terms of implementation of the said Act in the State.

Hence, you're requested to extend your full cooperation for frequent meetings of the concerned departments, P.W.D., local authorities and contractors related to building and other construction works of you to motivate and sensitize them regarding their responsibilities for real establishments and beneficiaries, collection, collection and transfer of Board in revenue heads, so that the proper implementation of the Act may be carried out and the respective progress to the Hon'ble SC may also be accordingly. Your early and practical suggestions are welcomed.

*With regards*

Shri Atul Sharma, IAS,  
District Commissioner,
