- Mo. No. : 9660515158
- Email: babulal.fm@sknau.ac.in
- Address: Village - Haripura, Post Office - Rohindi, Parbatsar, Deedwana-Kuchaman, Rajasthan 341512

1. Professional Experience

Mr. Babulal Gurjar is agriculture professional with practical experience in farming operations, crop management, and field supervision. He has two years of experience as an Agriculture Supervisor in the Department of Agriculture, Government of Rajasthan (GoR), where he was actively involved in implementing government schemes, monitoring agricultural activities, and guiding farmers at the field level.

His expertise includes modern and traditional farming techniques, soil health management, irrigation practices, crop production, and pest & disease management. He has hands-on experience in supervising agricultural projects, ensuring proper utilization of resources, and improving crop productivity.

He has worked closely with farmers to promote sustainable agriculture practices, enhance crop yield, and adopt improved varieties and technologies. His interest lies in agricultural development, farm management, and dissemination of scientific farming knowledge to rural communities.
