Sub: Request for Correction in Approved PV Module Make – Regarding INS Solar to INA Solar.

Ref.: Tender No. No.F. ()/Store/COA-Bas/SKNAU/2026/1564, Dt. 08.02.2026

Sir,

With reference to the Notice Inviting Bid for Supply & Installation of 60 kW Solar System at College of Agriculture, Baseri, Dholpur, we respectfully submit the following for your kind consideration.

In the approved make list of Solar Photovoltaic Modules, the make “INS Solar” has been mentioned. However, no recognized PV module manufacturer or model structure is available in the market under the standalone name “INS Solar”. Such mention may create ambiguity during technical evaluation.

It appears that the intended manufacturer may be “INA Solar”, which is an established and identifiable PV module brand.

Therefore, we kindly request you to amend/clarify the approved make list by replacing “INS Solar” with “INA Solar” to avoid confusion and to ensure fair and transparent participation.

We shall be grateful for your kind clarification and necessary amendment.

Thanking you.

Yours faithfully,
For RS Power Systems Pvt. Ltd.
